

# HEART FOUNDATIONS SUBSCRIPTION PLAN

(Updated October 2018)

This document outlines the details of a subscription plan which allows CCSS circle members to participate in all four seasonal Heart Foundations trainings, breaking up payments into smaller & easier monthly payments rather than paying for each retreat separately.

## Benefits

- ❖ Save **\$80.65** off the cost of regular registration.
- ❖ Invest in your personal commitment to attend all four trainings.
- ❖ Monthly payments spread out the costs of attending each retreat.
- ❖ Enrolment fee helps to ensure you can unsubscribe at any time without penalty, providing your payments are up-to-date.
- ❖ Taxes included in payment plan. (Taxes are included on all numbers in this document.)
- ❖ Join the subscription plan easily after your first training.
- ❖ Includes shared accommodation in a Habitat or Canvas cabin. Contact our office at 888 383 8320 prior to each retreat to upgrade.

## Details

This payment plan features a one-time enrolment fee equal to the value of your first training (including taxes). This comes to at least \$743.54, depending on your accommodation choice for your first retreat, and is due two weeks before your first retreat, the same due date as the regular registration. (If you've already attended your first training, consider this paid!)

The rest of the trainings are paid for with 10 monthly payments of \$215/month, starting the month after your first retreat. These payments are processed on the 2nd of each month.

*For example, if your first retreat is October 3 - 5, your \$743.54 enrolment fee would be due by mid-September, and your first monthly payment would be processed November 2nd.*

Your 10th monthly payment will be the final payment. *(In the above example, August 2nd.)*

## Missed Trainings

If at any time you'd like to cancel your subscription, please call Gwenith at 888 383 8320 ext 4. Providing your payments are all up-to-date and cover the balance of retreats you've attended, you can unsubscribe without any future charges.

In the event that you cannot attend one or more trainings, you may postpone your attendance to a future Heart Foundations training or gift the retreat to a friend. In alignment with our cancellation policy, this does not apply to cancellations within two days of the retreat, at which point we have already made financial commitments based on your attendance.

## Special Offer for Additional Savings

On departure day for your first retreat, sign up by filling out this form in person & submitting it before departing to reduce the monthly payments to just **\$195/month**, saving a total of **\$280.65** off the regular cost of retreats.

Or, at any time save the same amount by committing the full amount prior to your second retreat.
